PRESIDENT RAYMOND DOOLEY

Dear Students:

"The years 1955 and 1956 have been banner ones for all the Lincoln College family with the largest enrollment in modern times and prospects of a new dormitory, as well as continued renovation of our present buildings, are most hopeful indications of the progress of Lincoln College.

I want to take this opportunity to congratulate, not only the members of the LYNXITE staff but the students in all college activities who have given so generously of their time and talents. I sincerely hope that in years to come you will treasure the memory of college days and that you will faithfully keep in touch with your alma mater through visits to the campus and the Alumni Bulletin.

Best wishes to all of you."

*Raymond Dooley*

DEAN ELVA BAILEY

Dear Students:

"I hope the experiences you have had here will become pleasant memories and stand you in good stead for what I hope proves to be a most abundant future. Return and visit with us often, you are always welcome."

Eikosie Korai, meaning twenty girls, is a women's service organization at Lincoln College. Its members are elected on the basis of service to the college, and are pledged to uphold traditions and support the college activities. Some of their activities include serving at teas, dances, and at our annual Leaf-Raking Day. Mrs. C. A. Balof is sponsor of the fine group.

## Lynxite

Copy, mats, pictures, deadlines, . . . . . they are all a part of putting out a yearbook as any of the staff can tell you. One of the major changes that have been made this year is a change in name from ECHOES to LYNXITE. With Mr. Gordon Purdy's help as advisor this annual has been made to include both this year and last year's students and activities.

# Lincoln Room

The Lincoln Room contains a large number of books on Lincoln and other interesting items connected with him. It is one of the main attractions of Lincoln College and each year many visitors come to see this room. It is said to be one of the most extensive collections on Lincoln in existence.

# Housing Committee

The main purpose of establishing the Men's Housing Committee is to create a backbone for a student organization in the new dormitory for men. There are representatives from all of the men's housing units. The officers of the Committee are Chairman, Kenneth Pawsat, and Secretary-Treasurer, Jay Landwer. Highlights of this year's activities were the carnival held in the beginning of February, and the Ugly Man Contest, which was won by Mr. Clarence Sims. YEARS AGO was the first major at Lincoln College. It was given in November, 1955, under the direction of Mr. William Stigall. The LYNXITE regrets that they do not have room enough to picture or name the number of students who worked so hard behind the scenes.

## Years Ago There Was No Snack Bar

The newly opened Snack Bar, which incidentally is a memorial to Jefferson Davis, is quickly becoming a stop spot between classes. The 24 inch television set is a feature attraction to students and faculty alike.

J. Leone waits on S. Dehner and L. Adams while D. Doehring and C. Sank lounge.

## Museum of the Presidents

First permanent exhibit ever created to honor the thirty-three men who have served this country as Chief Executive, the Museum of the Presidents was unveiled during Commencement on May 29, 1955. Pictures cannot show either the beauty or the importance of the museum. Walnut paneling and special lighting do full justice to the materials in the collections. Centered in the room on a block of Vermont marble are five

flags: those of The United States, the Christian Church, State of Illinois, the Confederacy and Lincoln College. Dr. Ralph Newman says "This is the first time an institution has memorialized the office rather than the man. All of our Presidents collectively are honored at the first school named for the sixteenth president of the United States."
